BEDS, HERTS and Cambs Land Rover Club came to life in summer 2001. Formed as an independent club, the BHCLRC offers a balanced calendar of trialing, greenlaning and social events.

The club has 250 full members and an equal number of family members. Membership benefits include: social events, greenlaning trips, competitive events, *Four Play* magazine, monthly pub meetings, off-road driver training, free use of web site sales pages and much more.

BHCLRC have an extensive

communication and support network for members which includes an email database for press releases and club-related

news and a bimonthly newsletter. The club website is an invaluable resource, in particular the photo gallery with thousands of photos of club events.

Greenlaning is a strong area of the club's activities, and the club generally has two trips a month. Last year club members also enjoyed a trip to Croatia and this year they are planning a trip to France.

The BHCLRC are a Motor

Sports Association recognised competitive club, and monthly trials also form an integral part of the club's events calendar.

The club often holds charity events, such as the Waterbeach fun day featured on the previous page, as well as being involved in the Macmillan Cancer Relief 4x4 UK Challenge. Celebrities including Charlie Dimmock, Lynn Bowles and this year Sunita Shroff have all taken part in this event with the club.

■ For more information about BHCLRC or becoming a member log onto [www.bhclrc.org.uk](http://www.bhclrc.org.uk), email [secretary@bhclrc.co.uk](mailto:secretary@bhclrc.co.uk) or call 07999 553146.

BHCLRC 100th member.
