HERITAGE LAND ROVER WEEKEND

## IT'S SHOWTIME

Club event of the Month

The Heritage Land Rover Weekend at the Heritage Motor Centre, Gaydon, was a fantastic event for Land Rover clubs to relax, members to test their Land Rover's axle articulation on the *LRW* Twist-Off ramp, and generally to kick off a packed year of Land Rover events. Awards were presented by BBC Radio 2's travel presenter Lynn Bowles and included:

- Chris Savidge Award for the best club stand – Series 2 Club
- Tom Barton Award for the most authentic Land Rover – 101 Forward Control, owned by Ray Adams
- Club Challenge (a host of competitive activities against other clubs) – Bedfordshire, Hertfordshire and Cambridgeshire LRC
- Club Twist-Off Winner – South London and Surrey Land Rover Club
- Twist-Off Winner (BHCLRC member) – Terry Dennis
