

seatbelt.txt

Hi,

I wondered whether it would be useful to put this information on the site (gleaned from LRO and the Department for Transport).

From Monday 18th, children that require a child seat (under 1.35m tall and under 12) will not be allowed to sit in the rear sideways seats in a Defender station wagon, if it is fitted with seatbelts. If there are no seat belts the child can sit the rear, providing they are 3 or over!!

So those of you with a Defender with fitted seat belts and lots of kids can either buy a new Defender or one that was made before they fitted seatbelts.

Rob.
